<p><i>Special Focus on Security Testing</i></p>	
<p><i>June 30 – July 4, 2025. Naples, Italy</i></p>	
<p>TAROT (Training And Research On Testing) is a network created to foster the mobility of students, faculty members and research scientists working in the field of <b>testing</b> and <b>security</b> of software and communication systems. This summer school brings together lecturers, researchers, students and people from the industry across Europe for one week of presentations, discussions and getting to know each other.</p> <p>The <b>TAROT Summer School</b> is open to researchers from any institution in the world, working in the area of testing, both from <b>academia and industry</b>. In particular, this year, the focus of the school will be on <b>testing and security</b>.</p> <p>The main goal of the TAROT Summer School is to give researchers, PhD students, and master students the opportunity to follow a number of tutorials or invited talks by key experts in the field. Also, PhD students will have their space to share and present their recent results and thesis with the community.</p> <p><b>Date:</b> June 30 – July 4, 2025  <b>Website:</b> <a href="https://tarot2025.dieti.unina.it">https://tarot2025.dieti.unina.it</a></p>	<p><b>Committee:</b></p> <p><b>Prof. Valentina Casola</b>  University of Napoli Federico II, Italy</p> <p><b>Prof. Ana Cavalli</b>  Télécom SudParis, France</p> <p><b>Prof. Rob Hierons</b>  Brunel University, UK</p> <p><b>Prof. Manuel Nunez</b>  Universidad Complutense de Madrid, Spain</p> <p><b>Venue:</b></p> <p>University of Napoli Federico II, Napoli, Italy.</p> <p><b>Contact:</b></p> <p><a href="mailto:casolav@unina.it">casolav@unina.it</a></p>
